

STARLIGHTS

Dear Friend,

Let us introduce ourselves. We are the Skokie Valley Starlights, one of Chicagoland's elite teams of Synchronized Ice Skaters. Synchronized Skating is one of today's fastest growing sports! Ice skaters, in teams of 8 to 20, move as a group at high speeds using intricate footwork in unison. In the Midwest alone, there are more than 200 teams ranging from beginner to the collegiate level representing in excess of 3,000 participants. The Starlights compete throughout the Midwest, and hope to earn bids to compete at the U.S. National Championships and to again represent the United States in International competition.

The Starlights consist of almost 80 skaters, ages 7-18, on four separate teams. Our philosophy is to focus upon developing life skills both on and off the ice. Skaters learn to use their individual skills to excel as a team. They work together and share experiences that help build character and prepare them for the future.

Starlights are currently looking for sponsors and want you to be a part of our team!! Donations are tax deductible. To learn more about our club visit us at: www.starlights.us

Thank you in advance!
